Eligibility

Eligible Employees:

You may enroll in the Meridian Library District Employee Benefits Program if you are a part-time employee working 20-29 hours per week.

Eligible Dependents:

If you are eligible for our benefits, then your dependents are too. In general, eligible dependents include your spouse, and children up to age 26. If your child is mentally or physically disabled, coverage may continue beyond age 26 once proof of the ongoing disability is provided. Children may include natural, adopted, step-children and children obtained through court-appointed legal guardianship.

When Coverage Begins:

The effective date for your benefits selection made at open enrollment is January 1, 2025. Newly hired employees and dependents will be effective in Meridian Library District's benefits programs first of the month following date of hire. All elections are in effect for the entire plan year and can only be changed during Open Enrollment unless you qualify for a special open enrollment period.

Open Enrollment:

With few exceptions, Open Enrollment is the only time of year when you can make changes to your benefits plan. All elections and changes take effect on the first day of the plan year. During Open Enrollment, you can:

- Add, change, or delete coverage
- Add, or drop dependents from coverage

Family Status Change:

A change in family status is a change in your personal life that may impact your eligibility or dependent's eligibility for benefits. Examples of some family status changes include:

- Change in employment
- Change of legal marital status
- Loss of spouse
- Loss of other coverage (employee and/or dependents)
- Change in number of dependents (i.e., birth, adoption, death of dependent, ineligibility due to age)
- Judgements, decrees, or court orders
- Family Medical Leave Act (FMLA) or unpaid leave of absence
- Entitlement or loss of Medicaid or Medicare

If such a change occurs, you must make the changes to your benefits within 30 days of the event date. Documentation may be required to verify your change of status. Failure to request a change of status within 30 days of the event may result in your having to wait until the next open enrollment period to make your change. Please contact HR to

What is Aflac?

Aflac provides insurance that helps pay out-of-pocket costs not covered by regular health insurance. Their policies are designed to supplement (not replace) primary health insurance and pay cash benefits directly to the policyholder.

Accident & Injury

No one plans to have an accident. But it can happen at any moment throughout the day, whether at work or at play. Most major medical insurance plans only pay a portion of the bills. Our policy can help pick up where other insurance leaves off and provide cash to cover the expenses. Our accident coverage helps offer peace of mind when an accidental injury occurs.

Critical Illness

The signs pointing to a critical illness are not always clear and may not be preventable, but our coverage can help offer financial protection in the event you are diagnosed. Aflac group voluntary critical illness coverage provides a lump-sum cash benefit to help you cover the out-of-pocket expenses associated with a critical illness.

Cancer

This voluntary coverage through Aflac helps offset the out-of-pocket medical and indirect non-medical expenses related to cancer that most medical plans may not cover. This coverage also provides benefits for specified cancer-screening tests.

Hospital Indemnity

Aflac's hospital indemnity insurance offers a financial safety net for unexpected medical expenses. Hospital indemnity is a supplemental health policy designed to help cover costs associated with hospital stays by paying a cash benefits directly to the policy holder for expenses such as hospital confinement, intensive care, emergency room visits, and some outpatient surgeries.

For cost and coverage information, please visit the Employee Navigator website or contact your Aflac representatives, Matt Barringer, 208-399-2453 or matthew_barringer@us.aflac.com or Mark Dunn, 208-954-1559 or mark_dunn@us.aflac.com
